About

With the Wadu collection, we're introducing a rattan charm offensive. These floor lamps in natural rattan radiate pure warmth and cosiness. Each unique piece is handcrafted to perfection by highly skilled craftsmen from Cirebon, Indonesia. The rattan structure around the light bulb allows for a soft, diffused light that submerges every room in a warm glow. Both beautiful by itself and in group, these lamps will be a charming, natural addition to your interior.

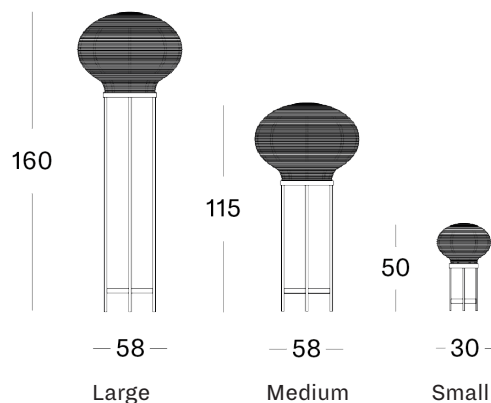

Materials & care

- Each piece is created from hand shaped rattan. Nuts, stripes, irregularities and other variations in size and colour are part of the production process, and not defects of the design or production.
- Frame: black powder coated steel.
- The small lamp comes with a bulb and a 2,5m textile cable, with hand switch and Euro plug.
- The medium and large lamp come with a bulb, a 4m textile cable, foot switch and Euro plug.
- Clean with a moist towel and some natural soap.
