- Moss (S016)
- Limited-edition Indigo (S025)

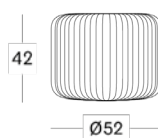

About

Otto is a beautiful high-quality ottoman which serves many purposes. While offering ultimate seating comfort, Otto can also be used as a side table to put a tray on. Because Otto is very lightweight, it can easily be moved depending on your needs. Do you desire an extra seat outside for your summer get-together or inside for unexpected visitors? Otto has got you covered!

Materials & care

- Outer cover: handmade by skilled craftsmen in Indonesia with thermoplastic polypropylene rope fibers
- Inner cover is made of breathable polyester and filled with polystyrene beads.
- Use a fabric and upholstery protector for optimal stain resistance.
- To clean spots on the rope: apply a mist of a soapy water solution with a spray bottle and then work the solution into the rope with a soft cloth by patting or rubbing lightly. Rinse the solution thoroughly and then blot excess moisture from the rope using a soft cloth. Allow the cover to air-dry.
- Never use a high-pressure hose on polypropylene rope.

Dimensions

Colours

The Otto collection is available in the colours shown below. However, the ottoman is temporarily available in the limited-edition colour Indigo as well. Perfect for adding a touch of colour to your indoor or outdoor space.
