About

Dan is a Scandinavian inspired beauty. This table is as pure as it gets, bringing warmth and a sense of calmness into your interior. Available in 3 different dimensions.

Materials & care

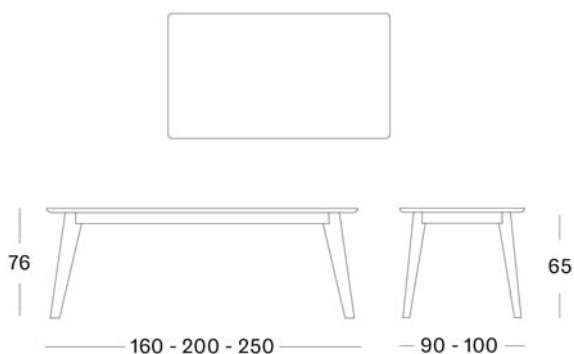

- Solid oak table top and base
- Finished with a high performance, water-based, polyurethane lacquer.
- Nylon glides
- Clean regularly with a mild solution of water and natural soap or protect cleaner for varnished furniture. Do not sand varnished furniture; this will damage the protective layer and will affect the water and dirt resistance of your furniture.
