### About

Our Rozy collection consists of three versatile tables which can be used outside as well as inside. The small Rozy table is available with a HPL or teak top, so you can choose the top which fits your interior best. Combine different Rozy tables for an ultimate mix of materials and structures.

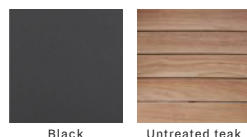

### Materials & care

- Table top: HPL or untreated teak
- Base: galvanized black powder coated steel
- Clean with a damp cloth and a non-foaming mild detergent every three months.
- Left outdoors, untreated teak will adjust to the elements over the years and the colour of the wood will change to an attractive silver grey, aided only by an occasional wash with warm soapy water in order to discourage moss. You can either leave your teak furniture to go a beautiful silvery grey, or choose to oil it.
